Step 1

General Admission Requirements for International Students

International students are eligible to apply for the Associate Degree in Biblical Studies only. HCC cannot grant the I-20 document to students wishing to complete the Certificate in Biblical Studies.

Application: Students may download the application on the HCC website or contact the College to request application materials to be mailed.

Heartland Christian College
Attn: Admissions Office
500 New Creation Road
Bethel, MO 63458

*Students may email scanned documents to registrar@heartlandcollege.edu in PDF or JPEG format, however, full admission will not be completed until original documents have been received in the mail.

- 1. Application Fee:** The application fee is \$50 (non-refundable). See payment options on page 5.
- 2. Reference Questionnaire:** This form should be completed by a pastor or leader not related to the student. Students need to complete the top of the form before giving to the pastor/leader, then the pastor/leader should complete the form and send it directly to the college.
- 3. Reference Letter:** Attached to the Reference Questionnaire, please have your pastor/leader or HCC country representative. (Please email us for the in-country contact), send us a “signed” letter informing us of:
 - a. Why the Applicant would possibly be a good candidate for HCC?
 - b. What the Applicant currently does within their country related to ministry or service?
 - c. What the leader sees as the outcome of the Applicant’s educational pursuits to be?
 - d. Any information on the Applicant that is relevant to the application.

* Please send all information to the above address or email.

4. Personal Testimony: This should be a short *typed* letter by the student giving your testimony and why you think Heartland Christian College would be a good school for you to attend

- 5. Personal Interview:** After the Application, the Reference form and fee, and Personal Testimony are received, we will then conduct a personal interview with the Applicant.

The Applicant, once a date is scheduled, should contact the HCC Admissions Office or DSO to be connected with the appropriate representative. The interview will be done through a video conference call, so the applicant will need to have access to a computer and the internet.

After the first part of the admission process, the Executive Council will review all material from this section of the admission process, to make an informed decision on whether the international student meets the character requirements for Heartland Christian College. This is to make sure that Heartland Christian College is the “best” fit for the student and for the institution. Once the Executive Council makes their decision, the Registrar will know the outcome. If the decision is favorable, the applicant may then move on to the second step of the Admission process.

Please note that character review and decision by the Executive council, does not confer full acceptance to the Applicant. The applicant will only be fully accepted into Heartland Christian College, after the Applicant completes all steps of “Step Two” in the application process and receives acceptance from the Administrative Team. Once that happens, the Applicant will receive an acceptance letter from HCC.

Step 2

Academic Admission Requirements for International Students

The following are requirements of all International Students wanting to attend Heartland Christian College. These are written in accordance to Federal Mandates as well as Heartland Christian College policy and procedure. All documents do not have to be mailed at the same time, however, acceptance will not be determined until all documents have been received.

- 1. High School/College Transcripts:** An official transcript of all High School/College work completed to date. Transcript must have school seal and be sent directly from the school. If the original transcript is not in English, the student *must* have the original transcript translated/evaluated. Recommended translation services can be found through NACES. HCC will not pay the cost for transcripts to be evaluated, however, we can assist you with this process if you have questions.
- 2. TOEFL (Test of English as a Foreign Language) or IELTS score:** If English is not the first or native language of the applicant, a TOEFL score is required. HCC's minimum requirements for the TOEFL score are 450 for paper test, 173 for computerized test, and 61 for internet test. The institution number for Heartland Christian College is **6313** if the applicant wishes to have TOEFL send the official document to HCC. For more information on the TOEFL visit www.ets.org. For the IELTS score the requirements are
- 3. Official ACT/SAT score:** International students are not required to take the ACT or SAT, however, if a student has taken one of these tests, a copy of the results should be sent to the college. If students plan to continue in higher education once they have completed their program at HCC, they might consider taking one of these tests while in attendance at HCC.
- 4. Passport and photo:** For security purposes each International Student that applies to HCC must submit a copy of his/her passport ID page. The passport should be valid and not expired. Also, the U.S. Embassy requires students to have their passports 6 months prior to applying for the F-1 Student Visa.
- 5. Student Health Form:** This is a record of the student's immunizations and any health conditions that require medication and/or Doctor's supervision. A copy of the student's original immunization record or high school immunization record is required along with this form.
- 6. International Student Finance Form:** Lists all expenses pertaining to study at HCC, including tuition, travel, pre-admission expenses, etc. Students must fill out the form providing financial information for payment of such expenses.
- 7. Affidavit of Support:** International students are required to provide documentation that reflects student's ability for financial security during schooling.

Please Note: Some countries have slower mail service than others. Students who apply to HCC should be aware of their particular country's mail service. The student should determine when to mail the application packet and supporting documents to ensure timely processing of the information. Delivery services that provide tracking numbers are suggested (example: FedEx). Students should make a copy of all documents mailed to the college.

International Transfer Students

Students transferring from another college or university will be admitted according to the same General Admissions Requirements listed above.

A student may request an Application for Transfer Credit from the Registrar, as well as requesting transcripts from the institution(s) to be sent to HCC. Credits which are earned at accredited institutions and apply to a program at HCC are accepted, provided that the grade for the course is a C or above. Transcripts are reviewed by the Academic Team to determine courses that apply to the HCC program, and the student is informed by the Registrar once a decision regarding transfer of credits is reached.

Please Note: After receiving your approval with Heartland Christian College, the Applicant must still receive acceptance from the United States government through SEVIS (Student and Exchange Visitor Information System). See Step 3 for further instructions on how to apply for this.

Step 3

Government Documents and SEVIS Procedure

SEVIS

After all application documents have been submitted, a personal interview completed, and all requirements met, a final decision is made regarding admission to HCC and a student is then notified in writing regarding acceptance into the college, and the student pays the I-20 fee, the student will then be entered into the US Government's database called SEVIS. The SEVIS system is the database the government uses to keep track of all international students that are attending school in the USA. The PDSO creates a document called the I-20 once the student is entered and approved in SEVIS.

I-134

Students receiving any sponsorship from a U.S. citizen are required to fill out and submit the I-134 Form, Affidavit of Support. This form and instructions can be found at <http://www.uscis.gov/i-134>. Sponsorship from someone other than a U.S. citizen does not require the submission of an Affidavit of Support.

I-901 Form (Student/Exchange Visitor Processing Fee)

Once an I-20 has been issued from HCC to the student, the I-901 form must be filled out and the fee paid. As a service to our students, HCC assists students with this form by filling it out for them. Once the SEVIS processing fee of \$300 has been submitted to HCC, the DSO will complete this form and pay the processing fee to the government, then the I-20 and I-901 receipt will be mailed to the student.

I-20 Document

The I-20 form is an extremely important document, and in most countries, the original must be taken to the US Embassy when applying for the F-1 Student Visa. Each student that is admitted to HCC will receive an I-20 document in the mail. This document is typically sent by FedEx after the SEVIS processing fee is paid and all requirements are met by the international student that has applied. The I-20 is needed for traveling into the U.S. Any student that does not have an I-20 upon arrival in the U.S. will be denied entry.

F-1 Student Visa

Once the international student receives the I-20 form, they can immediately apply for the F-1 Visa. This is required in order to travel to the U.S. and attend school. The F-1 Visa can be obtained from the nearest US Embassy or Consulate in the applicant's home country. Remember to make an appointment if necessary and take all application and acceptance materials with you. It is important to be prepared for this meeting.

Note: Some US Embassies have slower processing times than others. Depending on your country of origin, this may cause some delays in processing your Visa.

Currency, Fees, and Payment Options

Currency Information

Paper money for amounts over \$100 is not usually seen in public circulation. It is wise to keep the amounts of money/cash that is carried down to a minimum. Many students are able to open their own bank account once they have arrived and settled. This enables students to open a checking account for transactions with businesses and helps to cut down on carrying large amounts of money. International Students should contact the PDSO upon arrival for more information on banking near the college.

Step 4

International Student Travel Information

Arrival at Heartland Christian College

Once a student arrives in the United States there are several travel options available to reach the campus of Heartland Christian College in Newark, Missouri. Listed below are travel options. These resources are made available for your convenience. Please do not hesitate to contact the DSO, Nathan Mayes, at 660-284-4800 or nathan.mayes@heartlandcollege.edu with any questions or concerns.

Once a student arrives on campus (if they have not arrived with HCC personnel) they **MUST** contact the DSO for a brief orientation and welcome to campus. All international students are **REQUIRED** to visit with the DSO at the beginning and ending of each semester. Students should be prepared to report their plans for travel over breaks during the school year, the break at the end of the fall semester, and summer plans at the end of the spring semester.

Students are expected to arrive on campus on the scheduled day for moving into residential housing and attending Boot Camp or Orientation. These dates are published in the Catalog and on the website calendar.

If an international student needs to arrive early, they must contact the DSO for prior permission. According to BCIS regulations, students are allowed to come to the US and be on campus up to 30 days prior to the start of the particular program in which the student is involved. Students will be responsible for any extra charges pertaining to early arrival in campus housing.

Arriving At a U.S. Port of Entry – What A Student Can Expect

U.S. Immigration and Customs Enforcement’s Student and Exchange Visitor Program (SEVP) is committed to facilitating your stay in the United States while you take advantage of our nation’s academic, educational, and cultural offerings. To enhance security without slowing legitimate travel, the Department of Homeland Security (DHS) has instituted some changes in U.S. entry and exit procedures. Careful planning and preparation by international students can ensure that any delay based on these procedures is minimal.

Plan Your Arrival:

You may be refused entry into the United States if you attempt to arrive more than 30 days before the program start date listed on your SEVIS I-20 form.

Always Hand-carry Your Documents:

Do not put the following documents into your baggage. If your baggage is lost or delayed, you will be unable to present the documents at your port of entry. As a result, you may not be able to enter the United States:

1. Your passport, valid for at least six months beyond the date of your expected stay;
2. SEVIS Form I-20.

In addition, it is strongly recommended that you also hand carry the following documentation:

1. Evidence of financial resources;
2. Evidence of student status, such as recent tuition receipts and transcripts;
3. Paper receipt for the SEVIS fee, Form I-797, and
4. Name and contact information for your “Designated School Official”, including a 24-hour emergency contact number at the school.

For comprehensive information on procedures for traveling and arriving in the United States, visit: <http://educationusa.state.gov/predeparture/travel/customs.htm>

Complete Your Entry Paperwork:

If Arriving By Air: Flight attendants will distribute Customs Declaration Forms (CF-6059) and Arrival-Departure Record Forms (I-94). These must be completed prior to landing.

If Arriving By Land or Sea: The CBP Officer at the port of entry will provide the necessary Customs Declaration Forms (CF-6059) and Arrival-Departure Record Forms (I-94) to be filled out upon your arrival.

As You Arrive At The Port Of Entry:

Proceed to the terminal area for arriving passengers. Have the following documents available for presentation: your passport; SEVIS Form (I-20); Arrival-Departure Record Form (I-94); and

Customs Declaration Form (CF-6059). The Form I-94 should reflect the address where you will reside, not the address of the school or program.

All visitors entering the United States must state their reason for wishing to enter the country. You will also be asked to provide information about your final destination. It is important that you tell the CBP Officer that you will be a student. Be prepared to include the name and address of the school program where you will enroll/participate.

Once your inspection is successfully completed, the inspecting officer will:

- Stamp your SEVIS Form for duration of status (“D/S”) for F visa holders
- Stamp your SEVIS Form for 30 days beyond program end date for M visa holders
- Stamp the Arrival-Departure Record Form (I-94) and staple it in the passport

Following Admission Into The United States:

Students should report to their school within 30 days of the date that appears on the SEVIS I-20 form to register for courses or to validate their intended participation. Failure to do so may result in serious consequences.

Additional Information

Secondary Inspection Requirements

If the CBP officer at the port of entry cannot initially verify your information or you do not have all of the required documentation, you may be directed to an interview area known as “secondary inspection.” Secondary inspection allows inspectors to conduct additional research in order to verify information without causing delays for other arriving passengers.

The inspector will first attempt to verify your status by using the Student and Exchange and Visitor Information System (SEVIS). In the event that the CBP Officer needs to verify information with your school or program, **we strongly recommend** that you have the **name and telephone number of the foreign student advisor (DSO) at your school**. In the event you arrive during non-business hours (evening, weekends, holidays), you should also have an emergency or non-business hour phone number available for this official.

Failure to comply with U.S. government entry-exit procedures may result in your being denied entry to the United States. Under certain circumstances, the CBP officer may issue a “Notice to Student or Exchange Visitor” Form (I-515A), which authorizes temporary admission into the United States. Work with your school to submit the proper documentation without delay.

US-visit: All nonimmigrant visitors holding visas -- regardless of race, national origin, or religion -- participate in the US-VISIT program, a comprehensive registration system tracking entries to and exits from the United States. For more information:

National Security Entry-exit Registration System (Nseers): Some individuals may be asked to provide additional information under the National Security Entry-Exit Registration System

(NSEERS). A packet of information will be available at the port of entry explaining the registration procedure. For more information:
